We have been doing Euro and World Cup football fixture planners for quite a few years now and this year we've introduced a new Women's World Cup 2023 planner.

**It won't be long before the
Women's World Cup 2023 football tournament
- it kicks off on 20th July and lasts for a month!**

**A great, low cost, opportunity to get your
business logo and sales message out there
in front of your customers for next to nothing!**

Our wall planner has all the fixtures, and spaces to write the results.

These Women's World Cup 2023 wall planners are a cost-effective way to make contact with your customers.

**Your company advert appears at the bottom
of each Women's World Cup 2023 Wall Planner.**
