

IMAC XLI

IMAC XLI Structural Dynamics Conference and Exposition

Keeping IMAC Weird: Traditional and Non-Traditional Applications of Structural Dynamics

February 13-16, 2023 | Renaissance Austin Hotel | Austin, TX

Hosted by the Society for Experimental Mechanics, IMAC is a conference and exposition focusing on structural dynamics and has evolved to encompass the latest technologies supporting structural dynamics. This broad focus on structural dynamics includes topics in simulation and modeling, nonlinear dynamics, sensors, signal processing, and control spanning the full range of engineering disciplines.

IMAC remains a friendly conference where exhibitors, presenters, and attendees spend several days exchanging ideas that fuel the coming year.
