

**Our client:** We were delighted to supply the sanitaryware to the brand new Blue Sky Lounge at Ibrox Stadium, home to Rangers Football Club in Glasgow. Set to become the leading football hospitality and restaurant offering in Scotland, the new state-of-the-art multi-purpose lounge offers panoramic views over Ibrox Stadium.

**Their brief:** Operating as a restaurant open seven days a week and serving up to 330 guests on match days, durable sanitaryware was required for the busy washrooms. It was essential that the washroom décor tied in seamlessly with the rest of the stylish lounge, providing visitors with a real sense of luxury.

**Our solution:** Our SanCeram Langley, Hartley and Marden ranges were selected for this project. Offering a real sense of opulence to users, whilst still being durable and coming in at a budget friendly price tag.

**SanCeram Langley Round Vessel Basin:**

- Contemporary slim sided appearance
- No tap holes or overflow
- Bottom outlet for ease of maintenance

**SanCeram Hartley Tall Basin Mixer Tap:**

- Modern, minimalistic tap complete with press top waste
- Adjustable directional slim stream aerator, supplied with flexi tails

**SanCeram Marden Concealed Trap Urinal Bowl:**

- Sleek easy to clean, concealed bottle trap design
- For use with a back inlet spreader and concealed cistern feed

**SanCeram Langley Wall Hung Rimless Toilet Pan paired with the Tyde OSMO® T1 Concealed Cistern and Reef Pneumatic Push Plate:**

- Modern, stylish WC with Rimless technology, ensuring excellent hygiene with the benefit of water saving
- Tyde OSMO® T1 Concealed fully WRAS approved cistern, supplied pre-assembled for quick and easy installation
- Installed with the Tyde Reef Pneumatic Push Plate for dual flush operation, for a full and water saving reduced flush

**SanCeram Essentials Doc M WC Pack:**

- Close Coupled WC Doc M compliant universal pack
- Two tap hole basin for flexibility of handing
- Doc M and DDA compliant

**The Contractor:** Al-Mech (Glasgow) Limited
