

## EVEREL GROUP NOW ISO 14001 CERTIFIED!

We are pleased to announce that our supplier, Everel, has achieved **ISO 14001** certification. ISO 14001 is an international standard for Environmental Management Systems (EMS). Attaining this standard illustrates Everel's commitment to environmental protection and is a valuable step within its sustainability path, which it set out in 2021.

The certificate has been issued at Group level and covers all three manufacturing plants in Italy, Romania and Germany. It can be downloaded from their website using this link –

Everel is a key supplier for Alan Butcher Components. We have been their UK distributor for over 30 years and their UK agent for 6 years. Their focus is electromechanical components including switches, neon indicators, electric motors and ventilation fans. Although their core business is the domestic appliance market, their products are used extensively in various industry sectors across the world. They produce high quality products supported by excellent customer service and technical expertise.
